Village Board Delays Sign Ordinance Action

Action on the controversial, but long-awaited village sign ordinance was delayed another two weeks Tuesday night because of disagreements over controls on signs painted on the exterior of buildings.

A special sign committee has been working for several months on the drafting of an ordinance to control the spread of signs on buildings and along streets and highways and was expected to present it Tuesday.

Village Attorney Edward C. Jacobs said most of the provisions of an ordinance to control the erection and maintenance of advertising signs had been worked out by the committee, but the painted signs on walls had proven

to be a stumbling block.

Apparently many property owners have been enjoying a substantial revenue from the signs and have indicated that they would allow the existing advertising to stave off the weather if they could not continue them.

A major problem is the lack of legal criteria making control of such signs possible.

Signs overhanging sidewalks and protruding from buildings can be controlled on the theory of public safety, but painted signs do not present a hazard to the public.

There is growing support among planning and zoning officials to regard aesthetics as a criterion for control on such

matters as sign ordinances, but legislating concepts of beauty is treading on dangerous ground.

Jacobs indicated that he expected to be able to complete the draft of the proposed ordinance by the next meeting of the Village Board.

PARKING METERS

The board played a numbers game with parking meters in the village winding up with a net loss of one parking meter.

On a motion by Trustee Dick Radke the board approved removal of five parking meters on Park Ave. up to the cross walk and this set off a chain reaction of recommendations for the addition of parking meters.

The board voted to install a

meter in front of the First National Bank adjacent to a vacated alley; another in front of the 7th Shop in what has been designated as a police parking area and two on Orchard St. just west of Main St.

Acting on a motion by Trustee Radke the board approved the installation of 10 new street lights in Oakwood Knolls.

Winding up the session cut short by a desire on the part of the village officials to check on election results, the board accepted the resignation of Police Officer Walter Novak who is moving to Wisconsin, and reappointed Harold Mason as a top classification patrolman.

POLICE REPORT

During the month of October, the Antioch Police Department issued a total of 10 parking meter tickets and 25 traffic tickets.

Three were arrested for not having a driver's license on person; two for unnecessary noise; one for failure to yield; two for reckless driving; one for permitting unauthorized person to drive; two for disobeying traffic control device; ten were arrested for speeding; two for disobeying stop sign, one for improper turn and one for attempting to elude police.

Six accidents were reported—most of them taking place in various parking lots.

GOP Sweeps Lake County Offices

Lake County voters marched to the polls in record numbers Tuesday and gave its predicted Republican majority to all candidates in the race.

All incumbent county office holders were retained in office by large majorities.

The voters turned out in a record number with 87.1% of the registered voters going to the polls. A total of 128,506 cast ballots out of a registered vote of 147,600. It was the largest turnout since the Eisenhower victories in the 1950's.

There were 49,427 straight Republican votes cast and 24,921 straight Democratic votes.

All three constitutional questions were given approval by the voters of Lake County.

The only non-incumbent to win a county office was First Asst. State's Attorney Jack Hoogasian who takes the place of State's Attorney Bruno Stanczak, who did not choose to run.

Hoogasian polled the highest vote among county office holders totalling 76,578 to his opponent's 41,154. His opponent was Democrat Alfred O'Connor, attorney for the Illinois Crime Commission.

As predicted GOP office seekers for state offices and for Congress, finished well ahead of their Democratic opponents.

Rolling up the highest vote in Lake Co. for all offices was Congressman Robert McClory, R-Lake Bluff, who beat out his Democratic opponent Al Salvi by a vote of 81,018 to 37,469.

The Constitutional Convention question was approved by a vote of 79,623 to 30,283. The 1 billion dollar bond issue for pollution control and recreational expansion carried here by a vote of 55,496 to 30,544. The banking amendment was approved by a vote of 57,234 to 26,693.

State Representative John Mat-

jovich, D. North Chicago, led the unopposed candidates for State Representative in the 31st District with a vote of 70,635. Coming in second was Rep. John Conolly, R-Waukegan, with 56,132 and Rep. W. J. Murphy, R-Pelita Lake, Antioch, with 51,297.

GOP presidential hopeful, Richard Nixon, came out of Lake County with a 25,000 majority over Democrat Hubert Humphrey. Trailing well behind, despite the fact that most political observers thought he would roll

up a bigger vote was former Alabama Governor George Wallace who cornered 8,738 votes.

Senator Everett M. Dirksen, R-Ill., a perennial favorite in Lake County, and the nation beat his opponent Attorney General William Clark by a vote of 73,500 to 44,843.

In other races, for state office, Richard Ogilvie beat out incumbent Governor Samuel H. Shapiro by a vote of 73,274 to 45,873; Robert Dwyer, GOP candidate for Lt. Governor whipped State Senator Paul Simon by a vote of 69,780 to 45,812; State Senator Donald Carpenter headed Paul Powell by 21,000 votes; State Senator William Harris led Auditor Michael Howlett by 21,000 votes; and William Scott was ahead of Francis Lorenz by 34,000 votes.

In other county races incumbent Circuit Court Clerk Stephanie Sulthinn won out by a 34,000 majority; Recorder of Deeds, Frank Nustra beat his opponent by a like amount; Coroner Orville S. Clavey carried his office with a 33,000 majority and Auditor John Darrow gathered 35,000 more votes than his Democratic opponent.

Antioch High School Needs Are Detailed

Adequate building facilities are necessary for today's educational program.

And that is why the Antioch High School Board of Education and the Parent-Teacher Association are working hard on the bond referendum election scheduled for Saturday, Nov. 16.

Adequate building facilities are an aid to desirable instruction, an aid to good student and teacher morale, an attraction when employing new teachers, and an aid in the development of modern flexible student scheduling.

It also is a help in creating and maintaining proper traffic patterns and an aid to maintaining acceptable health and safety programs.

These were some of the things brought out last week when William Brook, president of the State Bank of Antioch and William Petty, local realtor spoke before the Antioch Rotary Club.

They also showed a film detailing the need for additional facilities at the high school.

The invitation to present the program was made by Michael Warren, administrator of adolescent services at Allendale School.

All of the things detailed can be accomplished if the community votes favorably on the \$2.6 million bond referendum.

The group was told that the last referendum would have passed if more parents and parent-to-be of high school students had voted.

The bond referendum calls for the construction of 18 new classrooms for English, mathematics, social studies, business education, speech, art, vocal, health and driver-safety education.

Also a gymnasium large enough for six teaching stations and located adjacent to the 1952 gymnasium so both facilities can be used interchangeably by girls and boys in physical fitness and health programs.

Construction will also include additional space for a library-resource center and a multi-purpose area to take the pressure of existing cafeteria. New work space is also planned for teachers and administration.

Extensive remodeling will be done to the 1915, 1927 and 1952 buildings to accommodate improvements in industrial arts, counseling and audio-visual activities.

The Board of Education said it wishes to continue quality education for the girls and boys by acquiring adequate facilities.

It is quality education, the board points out, that has enabled Antioch High graduates to compete satisfactorily for jobs in business and industry, to succeed in higher education endeavors and to pursue vocational and trade training programs.

The polls will be open from 12 noon to 7 p.m. on Nov. 16.

AARP Meets Tues. Nov. 12

The Antioch Area Chapter No. 387 of the American Association of Retired Persons (AARP) will hold their regular meeting on Tuesday, November 12 in the Community Room of the Antioch Savings and Loan Building at 12:30 p.m. Coffee and cake will be served followed by a short business meeting at 1:15 p.m.

A short patriotic program will follow honoring Veterans Day and the 50th anniversary of the American Legion.

Rev. Donald H. Cobb will give the invocation and a military official from the Fifth Army at Fort Sheridan will give the address. Rev. Wilton H. Anderson will give the Benediction.

Police Safe Is Gone

A portion of the north wall of the Antioch police department was built Monday—and the safe was gone!

But don't panic, folks—the station wasn't robbed—the old safe was just a relic that served no good purpose, and the only way to get it out of the office was to break through the wall.

In its place will be a much needed counter and filing cabinets.

Two Area Firms Get Charters

Secretary of State Paul Powell has issued incorporation charters to two Antioch area firms.

The first is the C & S Builders, Inc., 425 Lake St., Antioch. Principal officers are Robert Streicher, Jack Armstrong, and Ralph Mortensen to carry on a general contracting business.

The second is the Fresh Air Heating and Air Conditioners, Inc., RFD 1, Box 150, Lake Villa. Principal officer is Donald A. Gall to carry on the business of general sheet metal work.

'Project Vietnam' Has Need For Donations

Donations for the big Christmas Mailing for Project Vietnam are being accepted at the Antioch Post Office.

An Antioch woman is making 50 pounds of peanut brittle for the boys.

A businessman brought in a box of combs which will be included in the next three or four mailings.

A local bakery has promised "goodies" for the boys and girls overseas.

Donations of money, wrapped hard candies, (life-savers, candy in tins) chewing gum and other non perishable items, books and other merchandise are most welcome.

Just bring your donations to the Post Office before Nov. 19.

To know that these gifts will be appreciated, you only have to read the following letter from Sp.4 Timothy Mortensen. It says:

Community Card Has 500 Names So Sign Now

When you stop at the Antioch Post Office or the Village Hall, don't forget to sign your name for the big Christmas Card mailing to be sent to area servicemen.

These cards will be sent to the boys stationed in the United States and other countries as well as to those serving in Vietnam.

Nearly 500 signatures have been "signed" so far and more are being added daily. Project Vietnam hopes to have at least 1,000 signatures for the cards.

Names and addresses of area boys in service are also being requested by the Post Office.

Benefit Dance Aids Little League Lights

A benefit dance to help finance lights for the Antioch Little League baseball diamond will be held Saturday, Nov. 23 beginning at 9 p.m.

The old Ford garage on Main Street will be the place, and music will be supplied by King Jaros and his orchestra.

Tickets for the event are available from members of the Jaycees, Rotary Club, Lions Club, and Little League Committee. They are also available at Ray's Shell Service Station.

"Refreshments" will be served by Antioch firemen.

Grass Lake School To Open New Library

Grass Lake School will soon open a central library.

Beginning Nov. 16 the library will be open on Saturday mornings from 10 a.m. to 11 a.m. to any children living in the area.

John Schockmel, school superintendent, said the school has worked out a program with the Antioch Library to check out 1,000 books and place them in the school library.

The books will remain from 8 to 10 weeks, at which time they will be returned to the Antioch Library and another 1,000 will take their place.

"With these books, plus those of our own, we can give the children a good selection of reading material to further their education," Schockmel said.

Betty Lu Williams, head librarian at the Antioch Township Library has been most cooperative with us, and with her help, we can no longer have books into more children's hands."

In the past the Antioch Library has loaned books to Emmions School, Oakland School and Channel Lake Grade School.

open its doors in observation of American Education Week.

Parents will be permitted to visit classes during the school day in order to observe the operation of the school and the program.

Parents wishing to take advantage of this may report to the school after 9 a.m., sign the guest register and pick up a schedule and visit classrooms.

American Education week has a theme this year entitled "America Has a Good Thing Going—Its Schools."

"America does have a good thing going in its schools," Schockmel observed, "and it faces a big challenge to keep things going and improving."

"One of the keys to maintaining the strength of our American education system and to overcome its weaknesses, is to keep open the lines of communication with the public. That's what American Education Week is all about."

Schockmel also pointed out that the Grass Lake School Gymnasium is open for Men's Recreation on Tuesday evening from 7:30 to 9:30 p.m.

Dean Waite won third place award and Rita Haley received second place award in recent Halloween Poster Contest sponsored by the Antioch Chamber of Commerce. Both Dean and Rita are students at St. Peter's School. Rita received \$15.00 in cash and Dean's award was \$10.00.

EDITORIAL Antioch—No. 1

It took 26 years, but at long last we have a championship football team again in Antioch. Accolades are due to the players and their coaches for bringing the conference leadership back where it belongs—in our home town. Too long has it eluded our fair community. We knew you could do it, but we must admit that you scared us—just a little. Now everyone knows that we are Number One.

Yes Vote Needed

Last March we came out editorially in support of the proposed \$2.6 million Antioch Community High School bond issue. That issue was defeated by only 152 votes with the final tally being 785 to 633. Now the Antioch High School Board of Education is proposing basically the same issue at the polls on Nov. 16. Nothing has happened since then to make us change our mind. We were for the issue then and we are for passage of the issue today. What we deplore is the pitiful vote that such an important issue brought out. The total vote was only 1,429 and that is deplorable in an area that serves some 18,050 persons.

The need for expansion of the school is a vital one because the area is growing—growing so fast that projected figures show the total in the area by 1975 at 29,470. We feel that the 18 additional classrooms the board says is needed is not overdoing it. And even the most hard-nosed must admit that remodeling of the outmoded 1915, 1927 and 1952 facilities has been long overdue.

Adequate building facilities are an aid to desirable instruction and will encourage new teachers to come here and insure quality education for our boys and girls. It is true that the issue will call for a \$20.25 cent hike in annual taxes on a home with an assessed valuation of \$10,000.

But when you break that figure down it shows that for the much needed improvements you are paying less than six cents a day.

Good educational facilities are vitally needed in our society today and a youngster that does not have a high school education is seriously disadvantaged.

Because of crowded conditions in the schools, some of the classes are meeting in the auditorium.

Passage of the referendum last March would have seen the new facilities ready by the fall of 1969 or the spring of 1970.

The delay has only jumped the construction costs and pushed back the completion.

The expenditure of less than six cents a day—in our minds—is well worth the price of better facilities.

We urge your YES vote on Nov. 16.

Candy To Be Sold By 4-H's

Lake County's 1600 4-H members and members of the adult Extension groups are launching their 1968 fund raising project for the new building on the Lake County Fair Grounds. The 4-H members and adult groups raised \$20,000 in the 1966 and 1967 fund raising project. The goal for 1968 is \$10,000.

The fund raising activity consists in selling four different kinds of candy including Polly Doodles, Pecan Pralines, Tyrolean Mints, and an assorted hard candy.

The 4-H members will take advance orders from now until November 15. When the 18,000 boxes arrive at the 4-H Club headquarters on the County Fair Grounds on November 15, the members will fill their advance orders and continue selling through December 15.

The adult group, in addition to selling candy, will also take orders for and sell high quality fruit cakes.

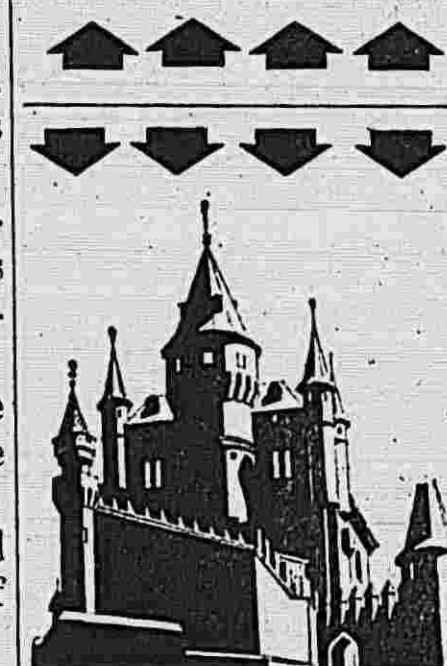

The 4-Hers remind everyone that their candies and fruit cakes will make excellent holiday gifts. Families who are not contacted by the 4-H members may order and receive the candy and cakes by writing the 4-H Club office, County Fair Grounds, P. O. Box 267, Grayslake, or phoning 222-5844.

all of you who ensured the success of the 1968 Trick or Treat for UNICEF program in Antioch.

Whatever their age, our fellow citizens can feel very proud. The enthusiasm shown by our young good-will ambassadors and the generosity of the townspeople speak well for Antioch.

While needy children and mothers in Asia, Latin America and

the Middle East will ultimately benefit from the contributions made to UNICEF in Antioch, our young people, in the MYF, may be considered as the first beneficiaries of the program. They have received a fine lesson in international understanding and the example of concern and sharing set by their elders will not remain unheeded. The many residents who contributed to the UNICEF Trick or Treaters too, should feel rewarded by the satisfaction that comes from helping. This was indeed a very successful harvest which totaled over \$300, being sent to UNICEF from the Antioch UNITED METHODIST CHURCH from all you people who were so generous. MOOSE TOPICS

By Lillian Birdsall

A good time was had by the members and friends that attended the Halloween party held at the Antioch Moose Home on Saturday evening, Oct. 26th. The lodge was decorated in fashion according to the tradition and the scene was beautiful. It was nice to see the different array of costumes that were worn when the members paraded in the grand march. Judges for the costume contest were Charles Kushi, Mary Prieb and Frank Riccio. All three were guests of the lodge for the evening. Picking the winners was a hard decision, for all the costumes worn were very nice.

Taking first place in the contest were Mr. and Mrs. Ron Polson who were dressed as a prince and princess. Second place went to Mr. and Mrs. Jerry Cole dressed as scarecrows, and third place was awarded to Mr. and Mrs. Bob Geske. I really don't know how to describe their costume.

The children's party that was held the following day, Sunday, was a very nice affair. Cartoon movies were shown and the judging of costumes was done after the movies. Judges for this contest were Stanley Herrmann, Jo Hanna Zurn and Harvey Gehris. The winners were selected from two age groups. Winners in the group of 9 years and older were Steven McLeod, who dressed as an ostrich, received first place. Second place went to Jeff Stieker dressed as a scarecrow and Jim McDonald received third place dressed as a robot. Mark Sterling, who was dressed as a hippie, received the odd award which was a pumpkin.

From the group of smaller children, first award went to Jeff Griffin, who was dressed as an Apache Indian, second was awarded to April Stieker dressed as a Flapper and third place was awarded to Carmel Elder who was dressed as a Witch. Andrea Kohl received the odd prize. She wore a clown costume.

Refreshments of ice cream, milk and bags of assorted candies and balloons were passed out to the children and a happy afternoon was had by them.

The Third District held a meeting following the children's party at 4 p.m. with 48 members present. This was the first meeting of the year with the newly elected

Zubor Hospitalized

Sp/4 Robert Zubor, son of Mr. and Mrs. Jack Zubor, Rt. 4, Antioch, was recently hospitalized with back injuries and was placed first into the 67th Evacuation Hospital and later transferred to the 85th Evacuation Hospital.

vice-president Wallace Streich of Zion-Benton presiding. Ritual chairman is Don Roberts and secretary is Lester Kirtz, both also of Zion-Benton. The appointment of officers for the various chairs such as conservation, sports and membership was tabled until the next meeting.

The next Third District meeting will be held at the Highland Park Moose Home on Saturday evening, Nov. 23rd, starting at 7:30 p.m. A smorgasbord, prepared by the Women of the Moose was served to the attending members following the meeting.

All lodges in the Moose Domain have been notified of the Total Energy renovation program now in effect for Moosheart and a plan has been set to go full speed ahead with all plans made. This is the big project for the year and the support and co-operation of every member is needed in order to fulfill the task given at this time. More details concerning this will be given at the next meeting of the Loyal Order which will be held on Wednesday evening, Oct. 13.

The Hunting season which opened last month, got off to a good start for the members of the Antioch Moose Hunt Club. The boys were really out working their guns and their dogs. The kill ratio was 74.3 per cent against a maximum of 75 per cent for the first weekend of hunting. Members Delbert and Dennis Huhn were the heroes of opening weekend with a total of 11 birds to their credit. Secretary-treasurer, Harold Klemprer reports that he has been very pleased with the attendance at the meetings which take place at the Antioch Moose Home on the fourth Friday of every month. Discussion for the coming dinner and a problem concerning the releasing of birds for the winter months will be the topic at the next regular meeting held. He is hoping that it will be a meeting with a 100 per cent attendance.

Vital Topics At Grace Church Sun.

Two special messages are to be given by John E. Buck, pastor of the Grace Community Church in Venetian Village, this Sunday morning and evening.

The message at the 10:45 a.m. service is entitled, "God's Permanent Halt for Bombing and Rioting." Men are anxious to know if the present cessation of bombing will be lasting, and Pastor Buck's message will give an enlightening answer.

Bishop James A. Pike has written a book, "The Other Side" which tells of events surrounding the suicide of his eldest son, then 20, in a New York Hotel. The book has been adapted for serial publication in LOOK magazine, and the first portion, in the October 9 edition, tells about the relation of the Bishop with his son, James A. Pike, Jr., and mystical occurrences following his death which led the Bishop to seek the services of a medium to communicate with him. Pastor Buck's subject at the 7:00 p.m. service will be "Bishop Pike Speaks With His Dead Son—or Did He?" and those present will be told how to talk with a Spirit. The public is invited.

Grace Community Church is located at 201 Granada Blvd. in Venetian Village. For further information phone 356-6302.

Today's electric dryer
runs for pennies a week.
The dollars saved buying one
could run it for years.

Even before you plug in your electric dryer, you've
saved money. That's called beginning economics. An
electric dryer can cost you as much as \$40 less than
a gas dryer.

Once you plug it in, your electric dryer will cost you
less than 30¢ a week.* Subtract that from the \$40 it's
possible to save in the first place, and you'll be paid-up
for years ahead. (That's called practical economics.)

Meanwhile, your electric dryer keeps giving you
laundry the same gentle, radiant heat it would get from
the sun. With at least one added advantage: every day
is sun-day.

Any machine that can save laundry for a rainy day
(and let you bank on sunshine) ought to be worth
a fortune. And it is.

It just doesn't cost a fortune.

Sequoits Are Champs Of Northwest Circuit

"You've done a tremendous job this year — you're one of the finest teams I've ever coached, and I'm proud of you—" Coach Roy Nelson talks to his Sequoit Varsity football team before decisive game with Round Lake last Saturday.

Antioch on the march again in the game Saturday with Round Lake as they go on for another touchdown, with Camp carrying the ball, Owens right and Jerry Martin (42) next to Camp.

Sophs Beaten By Round Lake

The Antioch Sophomores scored their lone touchdown on a 26 yard pass from Marty Romaine to Keith Bolton in the second quarter.

Round Lake tallied once in the first quarter after a 47 yard burst over right tackle, again in

the third quarter after recovering a fumble on the opening kickoff of the second half and a third time on a sustained drive during the fourth quarter.

Rick Claeson was the leading ground gainer for Antioch with 46 yards. Don White, Jon Story and Rick Claeson led the defensive unit.

The Sophomore season record: 4 wins, 3 defeats and 1 tie. Season individual rushing yard-

Rick Claeson	366 yds.
Bill Hagstrom	287 yds.
Mike O'Neill	99 yds.
Season pass receiving yardage:	
Rick Claeson	10-121 yds.
Keith Bolton	5-114 yds.
Tom Martin	4-64 yds.
Season passing:	
Marty Romaine	completed 20 out of 42 for 268 yards.
	5 TD passes.

Antioch High's Sequoits—after a 26 year drought on the football field—carried off the conference championship last Saturday by blasting Round Lake 35 to 19.

It was the first Northwest Suburban Conference crown for the Sequoits since the 1942 squad won it.

And before the afternoon was through Saturday — leaving no doubt of the ability of the Sequoits—the Antioch footballers had run 71 plays to Round Lake's 48, had rushed for 191 yards, completed 11 of 15 passes for 193 yards, had 24 first downs, recovered two fumbles and intercepted one pass.

Dave Camp was the game's leading rusher with 106 yards in 25 carries.

Round Lake had a total of 246 yards, 179 on the ground.

Antioch started its victory march when Ralph Zanck picked off a wobbly pass on his own 25 and 11 plays later Camp dived through on a three-yard plunge for the first Sequoit score. Camp also ran for the extra point and Antioch was ahead 7 to 0.

The Panthers came right back, however with Larry McCann cruising from his own 32 to the Antioch 12. Two plays later Lee Morley scampered five yards for the score but Mickey McCarty's run failed and the quarter ended with Antioch ahead 7 to 6.

In the second period Zanck scored from a yard out and Steve Owens ran for the point after making the score 14 to 6.

Round Lake then moved the ball to the Antioch 10-yard line but a fumble by McCarty was recovered by tackle Larry Ryan.

Zanck then scored.

Owens, just before the half ended, handed off to Zanck who then threw back to Owens and the quarterback ran it to the one.

Camp then took over and scored again and the half ended with Antioch ahead 20 to 6.

Two more points were added during the third quarter, when Tom Lasco tackled McCarty in the end zone.

In the fourth quarter Fred Koch scored on a 20-yard pass

from Owens, the point after touchdown was good and Antioch led 29 to 6 with 11:54 left.

Jerry Martin scored in the remaining minutes of the fourth quarter with a one-yard plunge but the point after failed.

Round Lake scored again late in the fourth quarter when McCann went in from four yards out, the point after was good and Antioch led 35 to 13.

The final score of the game came when Morley ran the ball in but the point failed.

Following the victory, the boys, along with the cheerleaders had a pep rally of their own in the gymnasium. Mrs. Richard Irmann sent over a cake and there was pop for all. Mrs. Gordon Welis sent over a batch of cookies.

The exuberant youths then tossed Coach Roy Nelson and assistant coaches Ted DeRousse and Bruce Bartosz into the showers, clothes and all.

A bus driver and two cheerleaders were also tossed into the showers.

The youngsters then were paraded through town in a 15-car entourage in autos supplied by Don Pittman Pontiac, Lyons & Ryan Ford, John Teresi Chevrolet-Olds and Earl Stringer Dodge.

Preparations for the parade were made in advance, with Mrs. Annabelle Nielsen taking charge of getting the drivers.

Those piloting the autos included Mrs. Blaine Ring, Mrs. Eugene Lischewski, Mrs. Don Gaa, Mrs. Joseph Stenberg, Mrs. Fred Koch, Mrs. Wes Camp, Mrs. Larry Ryan, Mrs. Chuck Madsen, Mrs. Ted Gruszczki, Mrs. Bob Jensen, and Mrs. Nielsen.

Following the game Coach Nelson reported that the best part of the day for him was his walk from the field to the locker room, watching the smiling faces of players, and their mothers as they took part in the victory parade.

"It made me feel good," he said, "to feel that I had some small part in making this magnificent day possible."

"If you happened to come into the locker room," he added, "be-

Ant. Freshmen Set Perfect Mark

The Antioch Freshman football team completed its season undefeated by downing a tough Round Lake team 13-0.

The team finished with a record of 8-0-1. This is the first time an Antioch freshman team has gone undefeated.

Coach Hahn was full of praise for the 45 boys who made up the team.

"I am extremely proud of these boys. They worked very hard and deserve all the ac-

claim they received. I certainly enjoyed working with such a talented group of boys and I would have to look hard to find a nicer bunch than these guys. I'm sure they will continue their winning ways in the years ahead, ensuring Antioch a good team to come."

The Round Lake game was a real test for the junior Sequoits since Round Lake had lost only one game. Rich Brasfield scored for Antioch on a 27 yard pass from Doug Camp midway in the

first quarter. In the second quarter Greg Crutchfield ran 29 yards to score and then ran over the PAT.

The second half of the game was a real defensive struggle with hard hitting by both sides. Twice the Sequoits stopped Round Lake drives on the 12 yard line.

Coach Hahn commented "This was our toughest game but the boys were up for it. I thought our defense was outstanding. The boys hit hard causing two fumbles and also intercepted two passes. They really showed what they had learned this year."

Coach Steve Wagon was justifiably proud of his linemen. "The line looked great, especially on defense. The boys blocked well on offense and hit with authority on defense. With steady improvement these boys will do a great job the next few years."

Individuals cited for their play against Round Lake were Doug Camp, Greg Crutchfield, and Roy Slajchert on offense and Tony Baczynski, Larry Laef, Bob Huebner, and Bill Gaa on defense.

Harlem Satellites To Play Faculty

"The Harlem Satellites", featuring Rookie Brown, former star of the Harlem Globetrotters, will offer one of the craziest and zaniest basketball demonstrations Antioch has ever witnessed when they play the faculty all stars from the high school and surrounding grade schools, in a benefit performance on Saturday evening, Nov. 16.

Preliminary games will pit Antioch Grade School vs. Lake Villa Grade School at 6:30 p.m. for half a game.

The second half will pit Oakland Grade School vs. Grass Lake.

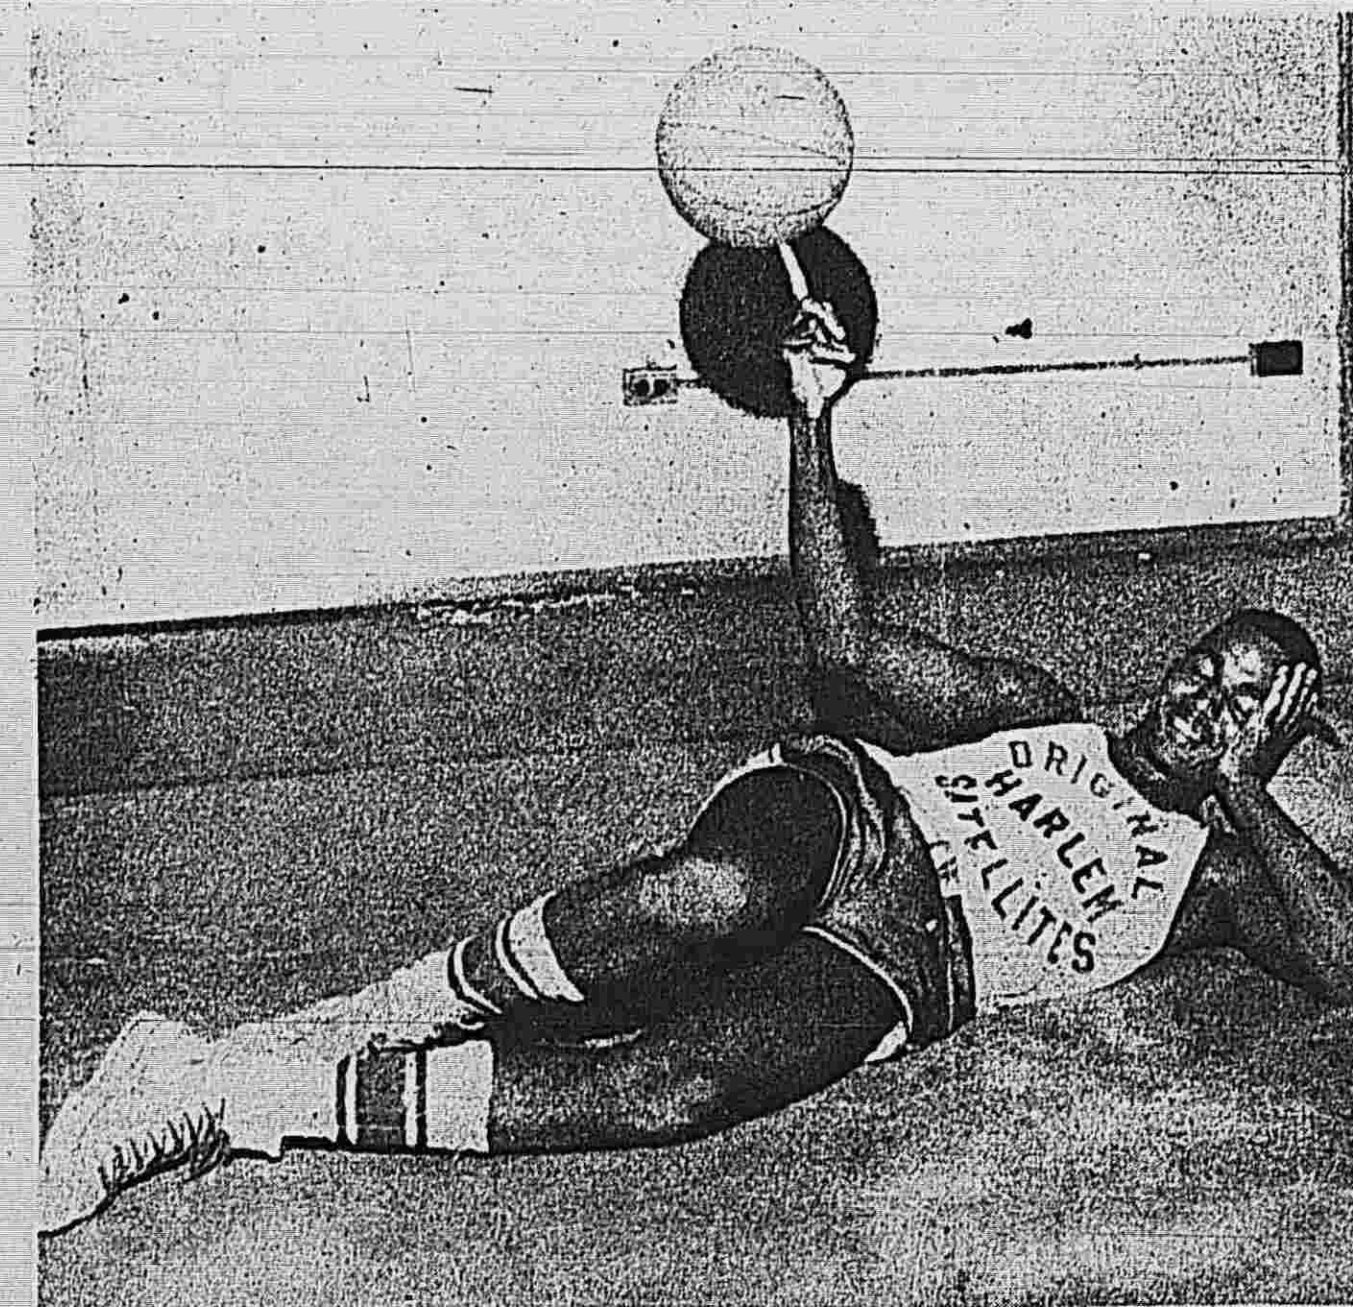

The faculty game vs. the Harlem Satellites will begin at 8 p.m.

The Harlem quintet is composed of former pro and college stars, noted for their basketball ability and humor. Last year the Satellites won 150 games without a loss, but that record could be broken when they face up to Antioch's mighty faculty.

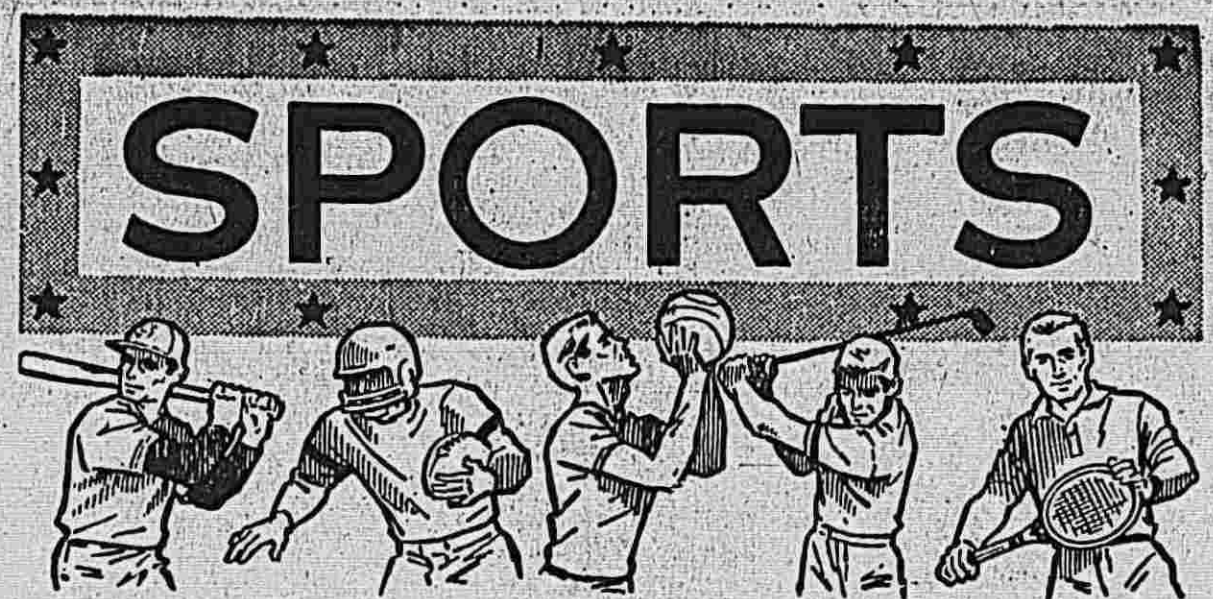

One of the highlights of the performance is the halftime show which features the "Magic Circle". Five members of the team perform in complete darkness with only hands and feet and glowing ball visible.

Proceeds from the game will

go to the "A" club and PTA Teacher Scholarship fund. The event is being sponsored by the Antioch Community High School P.T.A.

Kooky basketball will be on the agenda at Antioch High School Saturday, Nov. 16 when the Harlem Satellites pit their talents against an aggregation of faculty All-Stars from the high school and surrounding grade schools.

McHenry Club Offers Prize Shoot Nov. 10

Area shotgunners will celebrate Veterans Day at the McHenry Sportsmen's Club on Sunday, November 10th with a special prize shoot, starting at 11 a.m.

Featured prize for which the shooters will contend is a JoPat Gourmet specialty, their famed smoked butts. Tender aged steaks and young chickens will also be on the prize menu.

As is customary at all McHenry S. C. shoots, contests will be weighted in favor of the ordinary shooters with just average skill, enabling them to carry home their fair share of booty. Hi-Lo and Hi-Lo-White Bird Shoots will enable the lowest scoring gunner to win a prize, and the lucky one who breaks a white target will also win a prize as will the one who breaks the most clay birds out of ten. Hot-shot trap shooters will slug it out in the winner-take-all events.

LaVerne Wincrowicz, Ingleside, will preside at the snack bar, serving up her toothsome goodies to the hungry gunners and watchers in the warm clubhouse. Shells will be available for gunners who do not bring their own.

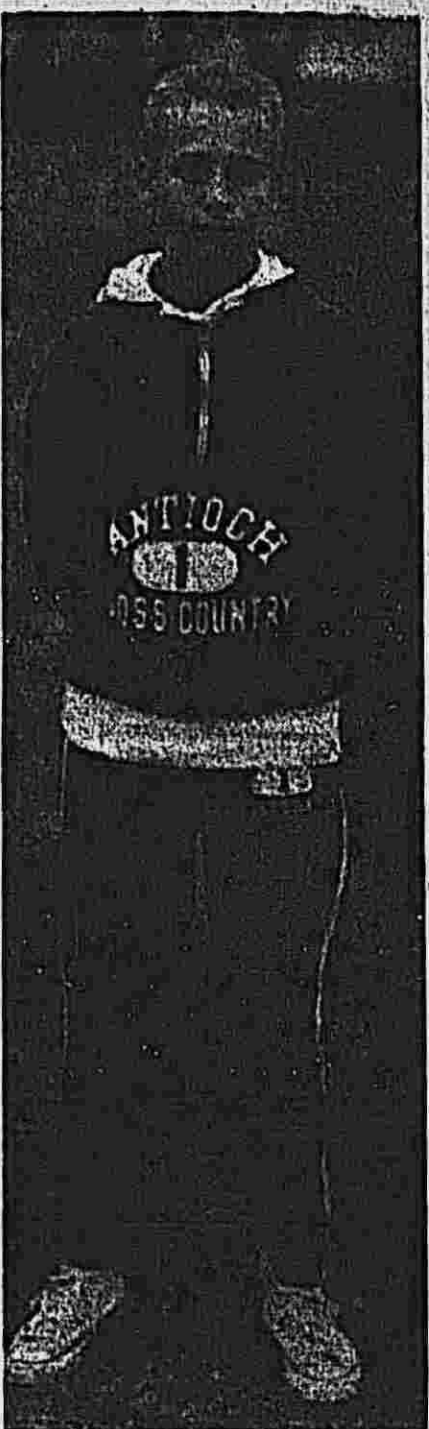

Mike Miller, club range officer announced the traps will be open Saturday, Nov. 9th, from 1 to 4 p.m. for practice shooting. Hunters with rusty trigger fingers are invited to sharpen up at this session. Shooters who plan on acquiring a passel of meat will be able to bone up on their ability to knock down their share of clay birds.
